Lights, Laughter and Lasting Memories

Welcoming the Festive Season at Epoch Elder Care

A Diya for Every Smile

We light a diya for every spark we see on an elder's face.

It is their home. We simply care for them.

Before the lamps are lit:
Gentle ways to keep the festive glow safe for the elders you love.

How the Festive Season Enriches Our Elders

Motor: Decorating diya thaalis and rangoli keeps hands gently active.

Sensory: Building each decoration with different textures and colours

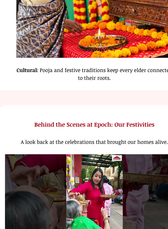

Social: Elders connecting through their childhood memories of a Diwali Mela

Cultural: Pooja and festive traditions keep every elder connected to their roots.

Every light we kindle this season carries a memory, and every memory carries a person: a mother's recipe, a father's firecracker, a grandparent's story. Our elders share all of it, generously.

We wish you a very happy Diwali!
From all of us at Epoch Elder Care, wishing you a bright, joyful and memory-filled festive season.
